

What's your next step after secondary school?

Do you go straight into the world of work?
Embark on an apprenticeship or traineeship?
Volunteer? Head to college or university?

Reed's career guide gives you all the info
you need to help you make those
all-important decisions.

How can
you progress
in your
career?

What
career is
best suited
to you?

How much
can you
expect to
earn?
